Freight Masters (Pvt) Ltd

your freight partners now and forever

Freight Masters is a well-established forwarding company in Zimbabwe which opened its doors in 2005. We are a diversified total logistics provider with main stream activities in customs clearance, Forwarding, warehousing, air and road freight.

We are a Zimbabwean associate of Globeflight Worldwide Express, Air Menzies International, VDM Cargo Solutions(South Africa), Total Courier and Cargo Services(India), PXC Pacific Global(India) and Group Air Wholesale. In addition, we have world wide partnership networks that allows us to cover more than 100cities in over 300 countries

Our partnership allows us to offer the best service levels at competitive rates, give personalized service, offer solutions based logistics and work with you and for you.

The directors of freight Masters are convinced that they have the strategic ability of introducing a change of excellent service delivery within the freight industry.

They believe that the current state is not offering the optimum networks of a global village which links Zimbabwe and the rest of the world as one in terms of exports and imports as well as fast, efficient and reliable

service delivery. They enter the market with outstanding networks with key freight partners in most parts of the world to ensure that its customer's goods are delivered at the right place, time and price.
